Saunders Elsevier 2009

Recommended:

Ingle JI, Bakland LK **Ingle's Endodontics. 6th edition.**
BC Decker 2008

Cohen S, Hargreaves KM **Pathways of the Pulp 10th edition.**
Mosby Elsevier 1011

DENTAL MAGAZINES

The **Information and Library Center** (<http://cib.umed.lodz.pl/en/home-page/>) enables the access to scientific resources and sources in the form of: database (e.g. PubMed, Web of Science), e-magazines and e-books. They will be available after logging in to the library website.

Web browsers, in particular **Google Scholar**, may be helpful when searching for articles.

Currently, most magazines offer articles in the **open access** version (available without logging in and paying additional fees). Articles are marked with the following symbol:

We present a list of examples of magazines related to Endodontics:

1. Australian Endodontic Journal

<https://browzine.com/libraries/1241/journals/7112/issues/current?sort=title>

2. International Endodontic Journal

<https://browzine.com/libraries/1241/journals/2693/issues/current?sort=title>

3. Journal of Endodontics

<https://browzine.com/libraries/1241/journals/39167/issues/current?sort=title>

4. European Endodontic Journal

<https://www.ncbi.nlm.nih.gov/pubmed/?term=%22European+endodontic+journal%22%5BJournal%5D>

Polish Endodontic magazines with articles in English:

1. Journal of Stomatology (Czasopismo Stomatologiczne):

https://www.termedia.pl/Journal/Journal_of_Stomatology-137

2. Dental and Medical Problems: <http://www.dmp.umed.wroc.pl/en/home/>
